Tell us...

Getting to know you better so we can support you better

Dear resident,

We invite you or one of your loved ones to tell us ***your story, your lifestyle habits, and what is important to you using the attached form.***

Thank to this information, we will be able to better tailor our care and services to our reality (creating a reassuring environment, organizing activities that suits you, provide you with better daily support, etc.)

The form can be completed by the person being cared for, a family member, a friend, or with the help of a caregiver.

Once completed, it will be kept confidential and used only by those who care for you. A short section of the form entitled "A little about me" may be used in your room to introduce you at a glance.

Thank you for taking the time to tell us about yourself. This helps us provide a more humane living environment that reflect who you are.

Don't hesitate to ask us if you need help completing it.
