

3 YEARS

Speech therapy

CIUSSS DE L'ESTRIE - CHUS

I AM 3
YEARS OLD!

COMMUNICATION
AND LANGUAGE
DEVELOPMENT

Québec 

I UNDERSTAND

- I understand the concepts of “on”, “under”, “wait”.
- I understand simple directions without gestures to help me.
- I understand the questions “With whom?”, “With what?”.
- I understand well enough to participate in a simple conversation.

I EXPRESS MYSELF

- I express myself using simple, complete sentences.
- I use “I/you” and “my/your”.
- Strangers understand me 75% of the time.
- I use the sounds f, v, s, z and will soon use k, g, l.
- I use verbs in the past tense, present and future (“going to”).
- I often ask “Why?”

I LIKE...

- Playing make-believe (e.g., restaurant, fireman, store) where we each take a turn.
- Nursery rhymes and songs.
- Turning the pages of a book myself and talking with you about what interests me.
- To colour and draw.
- To see your face clearly when we talk.
- When you let me have a turn to talk at my own pace when we’re talking together.
- When you listen to what I want to say rather than ask me too many questions.
- When you show me the right way to say what I just said, without asking me to repeat it.

WARNING SIGNS

- I do not form 3-4 word sentences.
- Only my parents understand me.
- I cannot follow less familiar directions or answer simple questions.
- I hesitate or I stutter.

If you are concerned or have questions, register for Speech Therapy Services at your local CLSC. It is not necessary to get a medical referral. Our team of Speech-Language Pathologists will be pleased to offer you the best possible service for your child (web page information videos, parental guidance, individual therapy with the parent present).
